

A DISCLAIMER FROM THE ASSEMBLY OF YAHOWAH THE ETERNAL

Much of the information that YAHOWAH has provided for His Assembly has been preserved in many religious books, which often substitute YAHOWAH and His Son YAHO-Hoshu-WAH for God, Lord, Jesus, Christ, Jehovah and/or Yahweh to name a few.

The greatest religious book of all time, the Consecrated Word, called the Scriptures or Bible, has been tampered with as well, and we intent (by YAHOWAH's Power and Permission) to prove that through our studies.

We therefore regret that oftentimes our references may contain the above-mentioned poisonous substitutions. Please keep in mind as you establish the fact in your minds (through the evidence provided) that the Heavenly Father's name has always been YAHOWAH, and YAHO-Hoshu-WAH, for the Saviour's Name.
